Rondout Creek Watershed Alliance. “There is no life without water.”

A creek we can swim in and eat from is both our right and our responsibility. The Rondout Creek Watershed Alliance was founded to restore the Rondout Creek and its tributaries to their prime, to act as the voice of the Creek, and to advocate for the protection and improvement of the watershed by increasing community awareness and implementing collaborative conservation efforts.
2. Committee updates.
 - a. Project Committee: Communications
 - i. Logo/Artwork/Brochure
 1. Rondout Watershed Map: Update from Adriana
